Principal Arguments and Other Matters

The Outstanding Office Action dated May 28, 2009 contains the following errors on its summary page:

- (1) the status of the office action is marked as final and non-final
- (2) the pending claims should be Claims 1, 7, 9, 11-15, 19-21, and 26-39, however the summary cites Claims 1, 7, 9, 11-15, 19-24, and 26-35 as pending
- (3) Claims 26-37 appear to be objected to according to the Office Action, however the summary page indicates only Claims 26 to 35 as being objected to.

Applicants requested the Examiner to correct the above-identified errors.

Results of Interview

The Examiner confirmed during the interview and the following interview summary dated June 30, 2009 that the outstanding office action is made non-final. Regarding the claim disposition, the Examiner cited that Claims 1, 7, 9, 11-15, 19-21, and 26-39 should be indicated as pending and Claims 26 to 37 should be indicated as objected to for their dependency from a rejected claim.
